T [REDACTED] 2:23 PM
lol

S [REDACTED] 2:23 PM
I know you're probably catching up on a lot of emails and tickets. Can I ask you to help me with something urgent re: CSAM?

T [REDACTED] 2:23 PM
sure!

S [REDACTED] 2:24 PM
[REDACTED]

S [REDACTED] 2:24 PM
these videos are all pending. we need to set to tos-08, fingerprint, ban and generate ncme report

S [REDACTED] 2:25 PM
can u pls tell me when it's all done?

T [REDACTED] 2:25 PM
I will do it now and tell you when it's done

S [REDACTED] 2:26 PM
merci

T [REDACTED] 2:26 PM
Oh

T [REDACTED] 2:26 PM
all but one of these are model videos

S [REDACTED] 2:26 PM
ya, ok so let's not ban. we can fingerprint those ones though.

S [REDACTED] 2:27 PM
i'll inform the MP team

T [REDACTED] 2:27 PM
so set the vids to TOS8 and fingerprint only?

T [REDACTED] 2:27 PM
and i'll ban and report the one non model

T [REDACTED] 2:28 PM
oh wait they are all mpp. My mistake

S [REDACTED] 2:29 PM
yeah, looks that way.

S [REDACTED] 2:29 PM
hmmm

S [REDACTED] 2:29 PM
one sec. my brain is foggy.

T [REDACTED] 2:29 PM
np I will stand by

S [REDACTED] 3:08 PM
hi [REDACTED] please proceed with the one video uploaded by a regular user (tos-8, fingerprint + ban user and generate ncme report)

S [REDACTED] 3:08 PM
i have the model team helping out for the remaining 9 videos so you don't have to worry about those ones 😊

T [REDACTED] 3:08 PM
It appears as a verified user, but if you go to the video edit page it's actually a model

T [REDACTED] 3:09 PM
the username is orange

S [REDACTED] 3:11 PM
that's weird. i do those steps but then when i click on the orange username it brings me to the edit user page and it doesn't look like a model account

3:12 PM
I don't know why. I asked [REDACTED] about it once and if I remember correctly, she told me to treat it as a model video

3:13 PM
it's confusing if you ask me lol

3:13 PM
ya, very confusing!

3:13 PM
i'll add this one to the list for MP to review

3:51 PM
hey, for this ticket, can u pls send it to legal and cc me?
[REDACTED] we can ask them if its required by law in poland and if they say yes, then i can reply back and cc [REDACTED] so he is aware

3:53 PM

3:59 PM

T [REDACTED] 4:51 PM
Hey [REDACTED]

T [REDACTED] 4:52 PM
I noticed that there are a bunch of emails forwarded from [REDACTED] and the email text is missing

T [REDACTED] 4:52 PM
is it the way they are being forwarded?

T [REDACTED] 4:52 PM
or maybe they didn't have text and just a subject

T [REDACTED] 4:53 PM
[REDACTED]

S [REDACTED] 5:20 PM
i think it's the way that the tickets are being forwarded.

S [REDACTED] 5:21 PM
it looks like [REDACTED] is sending them from her iphone and it's not giving us the full message

S [REDACTED] 5:21 PM
i'll ask [REDACTED] if she can re-try from a computer

T [REDACTED] 5:21 PM
ok thanks!

S [REDACTED] 5:25 PM
i've reassigned them back to [REDACTED]

S [REDACTED] 5:25 PM
i'll let you know if [REDACTED] replies

S [REDACTED] 5:25 PM
got 5 minutes for a quick catch up?

T [REDACTED] 5:25 PM
sure

8:24 PM

Just wanted to check with you. When someone uploads an avatar now for verification, do they have to wait for it to be reviewed before they can continue with the verification process to join MPP?

8:32 PM

Checking now with the Cyprus team

8:32 PM

The process kept changing over the last couple of weeks

8:33 PM

that's why I want to make sure I know what's happening lol

8:33 PM

also did they fix this typo?

8:33 PM

"you're content need to be reviewed before you can use it"

8:34 PM

the you're

8:35 PM

Do you have a screenshot?

8:35 PM

Cyprus says users don't need an avatar to join MPP

8:35 PM

lol

8:36 PM

well the verification page still says you do

8:36 PM

That might be the root cause of the confusion

8:38 PM

was it changed again recently?

8:38 PM

This is from saturday

and this is the error with the typo

when they try to upload an avatar

There seems to be issues with users joining from mobile.

Avatars have not been a requirement for over a week

I think someone rejected the application in error not realizing that avatars aren't required anymore

ok or maybe it's an old screenshot they took. I checked their account and the last rejection was on the 18th

Oh that could be it!

Ya so two ways to troubleshoot this:

8:39 PM

8:39 PM

8:40 PM

8:40 PM

8:41 PM

8:42 PM

8:43 PM

8:44 PM

8:47 PM

1. Try to apply from a computer

2. Apply the model program application macro telling them its been fixed

T [REDACTED] 8:48 PM
ok perfect

T [REDACTED] 8:48 PM
thanks!
